

The **Tricar Group** is a London-based award winning contractor specializing in the construction of luxury high rise apartments and condominiums. We currently require a...

# Layout Person, Construction

You will review drawings for errors or omissions, prepare detailed sketches, survey notes and reports, and provide field layout and operating survey instruments. In addition, you will keep records, measurements, and other survey information in a systematic order.

You are a college graduate of Civil Engineering Technology, Construction Management or Supervision, or have equivalent knowledge through work experience. Able to read blueprints, operate survey equipment, and work independently, you have strong analytical and problem solving skills.

Please apply with resume, to our head office at: **3800 Colonel Talbot Road, London, ON N6P 1H5** e-mail: [lpepe@tricar.com](mailto:lpepe@tricar.com)  
fax: **519-652-8905**

*While we appreciate all responses, only those selected for an interview will be contacted.*
